

AIRMYN W.I.

I present the Annual Report for Airmyn W.I.

We have enjoyed another successful year with good speakers and outings. One of which was a day cruising to Pollington Lock Courtesy of the Rusholme Wind Farm Fund.

We had a Birthday Party for one of our Founder Members who was ninety. A Fashion Show with Members modelling. Provided a reader for St. David's Carol Service, filled shoe boxes for the troops in Afghanistan and helped to serve teas at the school.

2014 was our 50th Anniversary and we enjoyed a celebratory dinner. 2015 is the National Centenary which we are all celebrating at various levels.

As with all Organisations we would like to have more Members, but we still maintain to be a happy friendly group.

We thank the Parish Council for their continued interest and support.
