### POLICY STATEMENT ON SAFEGUARDING CHILDREN

The values held by Airmyn Parish Council & Airmyn Community Association are:

Airmyn Parish Council & Airmyn Community Association recognise that all children have a right to protection from abuse and takes seriously their responsibility to protect and safeguard the welfare of children and young people. We will:

- Respond swiftly and appropriately to all suspicions or allegations of abuse and neglect
- Provide parents and children with the opportunity to voice their concerns
- Have a system for dealing with concerns about possible abuse and neglect

### THE POLICY

Airmyn Parish Council & Airmyn Community Association recognise that many children and young people today are the victims of physical, emotional, sexual abuse and/or neglect. Accordingly, Airmyn Parish Council has adopted the following policy guidelines. The policy sets out agreed guidelines for responding to allegations of abuse/neglect, including those made against staff and volunteers. These guidelines have been prepared in accordance with East Riding Safeguarding Children Partnership (ERSCP) Policies and Procedures. They will be kept under review and be supported by appropriate training.

The policy applies to all staff and volunteers who act on behalf of Airmyn Parish Council & Airmyn Community Association and who work with children. Every individual has a responsibility to inform the designated person in respect of child protection or their deputy of concerns relating to safeguarding children. The designated person should decide if the concerns should be communicated to East Riding Council's Children's Services or the police.

However, all staff and volunteers can contact East Riding Safeguarding Children Partnership directly if necessary.

## **DEFINITIONS OF ABUSE (Working Together 2018)**

A concern should be raised if any of the following circumstances have or are happening to a child:

- Physical abuse
- Emotional abuse
- Sexual abuse (including Child Sexual Exploitation)
- Neglect

### **PHYSICAL ABUSE**

A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocation or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

### **EMOTIONAL ABUSE**

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploration or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

### **SEXUAL ABUSE**

Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

## **CHILD SEXUAL EXPLOITATION**

Child sexual exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victims needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.

## **NEGLECT**

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment);
- Protect a child from physical and emotional harm or danger;
- Ensure adequate supervision (including the use of inadequate caregivers); or
- Ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

## **WHAT YOU SHOULD DO IF YOU SUSPECT ABUSE**

1. You must report concerns as soon as possible to the Designated Child Protection Person who is nominated by Airmyn Parish Council as representative to act on their behalf in referring allegations of suspicions of abuse or neglect to East Riding Safeguarding Children Partnership. If it is an emergency, and the designated person cannot be contacted, then East Riding Safeguarding Children Partnership or the police should be contacted at the numbers given below.
2. If the suspicions relate to the designated person, then the deputy, East Riding Safeguarding Children Partnership or the Police should be contacted.
3. Suspicions should not be discussed with anyone, other than those named above.
4. It is the right of any individual to make direct referrals to East Riding Safeguarding Children Partnership. However, this policy should be followed where possible.

## **RECORDING**

1. Write down exactly what the child has said in their own words, do not ask leading questions. Write down the conversation held, where it was held, when and what was happening beforehand. Alternatively write down what you have observed, details of any witnesses, location, and your specific concern if you believe that a child has been abused or neglected. Record dates and times of the events and when the record was made. Keep all notes secure.
2. Report your discussion as soon as possible to the designated person.
3. Allegations against staff or volunteers will be investigated following local procedures. For further information see the East Riding Safeguarding Children Partnership procedures.

## **MAINTENANCE OF RECORDS**

Airmyn Parish Council & Airmyn Community Association have clear guidelines for the retention, storage and destruction of records where these relate to child welfare concerns or concerns about possible risk posed by employees (whether paid or voluntary). Records are kept until the child is 25 years old. For concerns not acted upon, records are kept for 6 years after the child has ceased association with the organisation. For concerns regarding staff or volunteers they should be kept on their personal file until retirement age 67 years old or for 10 years whichever period is longer.

All records will be destroyed appropriately:

- Paper Records: will be shredded or pulped
- Electronic or machine-readable records: will first be deleted of the contents of digital files and the desktop trash emptied.

## **VOLUNTEER RECRUITMENT**

Airmyn Parish Council adopt best practice guidelines for recruiting volunteers and we

- Specify what the role is and what tasks it involves
- Request identification documents
- As a minimum meet and chat with the applicant(s) before they commence work
- Where appropriate, when regular unsupervised contact with children is likely to take place, request that individuals apply for a DBS in line local East Riding Safeguarding Children Partnership procedures.

If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to become Part of Airmyn Parish Council & Airmyn Community Association guidance will be sought from East Riding Safeguarding Children Partnership. It is noted and accepted that Airmyn Parish Council will consider the relevance and significance of any information and that all suitability decisions will be made in accordance with legislation, with East Riding Safeguarding Children Partnership policy and in the best interests of children and young people.

Airmyn Parish Council & Airmyn Community Association are committed to the aim of preventing people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of 'grooming'.

## **E SAFEGUARDING AND ACCEPTABLE USE POLICY FOR ELECTRONIC EQUIPMENT**

Children and young people do not have any access to internet connected electronic devices at Airmyn Parish Council or Airmyn Community Association and therefore the risk of internet grooming is avoided.
