## What's going on?

Here at the Airmyn News, we hope that you find our newsletter both interesting and informative. We have a distribution of over 350 households, if you have anything that you think would be of interest to the people of Airmyn Parish, please email [airmynnews@yahoo.com](mailto:airmynnews@yahoo.com) or drop us a note into 91 High Street. We would love to hear from you, maybe you have a great recipe to share or a charity event to promote?

## Thanks from Airmyn Cricket Club

As many of you will know, Airmyn Cricket Club has had to fold because of a lack of players.

The club has been in existence for many, many years, during which time the cricketers have played matches and practised on the field at the rear of the Percy Arms.

Sadly, the grass is now growing uncontrollably and the wicket can no longer be seen. The club has decided to continue to pay the rent for the field in the hope that parishioners may decide to form a cricket team in the future. The machinery needed to cut and dress the grass has been sold and the monies generated and the funds the club holds have been placed into a trust fund.

The officials of the club would like to thank all those people who supported it over the years by playing, preparing the wicket and field, watching and being members of the '100' Club in order to raise valuable funds.

## Farewell to a much loved man.

Dick Penty passed away in hospital on Wednesday the 17th of May, he will be cremated at Pontefract on Thursday the 1st of June. Family cars will be leaving the village at 1.45pm, any villagers wishing to attend are welcome and there will be a donation box for Cancer Research at the crematorium. Pat has arranged a small service to be held at St. Davids church, Airmyn at 3.30pm. This is for villagers to be able to pay their last respects and remembrance to a well known and loved member of our community. After the church everyone is welcome to join Pat and family at the house for a drink.

## Letters to the editor

### Re; Shots Annoying Residents

Dear Editor,

I should like to thank Mr Backhouse for his full explanation about the sounds which were from a gas gun, and not shotguns as I had mistaken them for.

As the gas gun is set to give optimum noise during feeding, I can now conclude that vermin eat little from Monday to Friday, sporadically on Saturdays, and voraciously on Sundays!! Simple!!

I should also like to thank him for bringing to our attention the plight of the poor farmers, and their never-ending fight against the afore mentioned vermin.

Yours Sincerely, Sue Lilley

### Annual Parish Meeting

The three current parish councillors welcomed 20 village residents to the annual parish meeting held on 3 May 2017 at 7pm.

Reports were presented by Sue Hayward for the Parish Council and Airmyn Community Association, Helen Cowling for the Newsletter, Cathie Galloway for the Coach House committee, Airmyn Parochial Church Council and the Airmyn W.I and Mary Mason Pitt for the Airmyn Emergency Planning Team. Written reports were read from Mr Chris Morris the Secretary of the Airmyn Bowls Association and Airmyn Neighbourhood Watch group.

These reports will be available on the website shortly.

Following the recent letter to every household a discussion took place on how the parish council needs more councillors to deal with village matters and prevent decisions being taken from people living outside the village. Four volunteers came forward with expressions of interest from 3 others.

The Parish Council meetings are at 7pm on the second Wednesday of each month in the George Dales room at the village hall. Contact the Clerk Nichola Ingleton Tel: 07557166909 Email: [airmynpc@gmail.com](mailto:airmynpc@gmail.com) for more info.

### Village Taskforce Walkabouts 2017/18

The parish council wish to invite parishioners to get in touch with the parish council Clerk if they have any ideas for the parish council to consider for inclusion in their presentation to the taskforce team. The East Riding team will visit the village on the 12 July 2017. The taskforce team can address pot hole issues, street asset painting, sign repair and washing and the cutting back of overgrown vegetation. ## **Minutes of the Airmyn Parish Council meeting held on Wednesday 12 April 2017 at 7.00pm,**

Councillors present were S Hayward(Chair), C Fox and P Gardner. 4 members of the public and the PCSO S Chandler.  
1/1718 Mobile phones The chair reminded everyone that these should be switched to silent mode.

2/1718 Co-option of new councillors. None

3/1718 Apologies for absence. None

11/1718 Ward Councillor report. The Chair gave permission for this item to be brought forward at this meeting. The trees near the village hall have had work carried out on them following misunderstandings and, after intervention by Councillor Fox in her role as Ward Councillor, the area will be cleared and tidied without any expense to the parish council. Currently there are only three parish councillors and it is getting impossible to deal with all the Memorial Hall matters, trees and playing field areas which were previously overseen by up to nine Parish Councillors and separate committees. To make the parish council quorate all three councillors must be present at every meeting and the full council should consist of 9 councillors to ensure that full debate and decision making take place for the good of the village. In May 2015, at the last election, the East Riding of Yorkshire Council had to appoint two ward councillors to make Airmyn Parish Council quorate and this will happen again if any of the current parish councillors resign. The annual general meeting of the parish council is on the 3 May 2017. It is hoped new volunteers will come forward to make decisions on how the precept is spent and to avoid people not resident in Airmyn making decisions for the village. This year there is no increase in the precept. When volunteers looked after the playing fields and Memorial hall both were well run with very good finances in place to back up expenditure. Residents are also needed to sit on the Goole and Airmyn Drainage Board as this is also an example of people spending our money without any representation from the village. A letter will be drafted and delivered to every house to explain how new parish councillors are vital for the good of the village.

4/1718 Confirmation of minutes. The minutes of the parish council meeting held on 8 March 2017 were signed as a true and complete record.

5/1718 Declarations of interest. None declared.

6/1718 Information on ongoing issues

6.1 Bracken Hill. The PCSO will contact the wildlife officer Julie Turrell and determine how to police this area. Cllr Fox will check with ERYC as to what signage we can erect. The police do keep an ongoing diary and all residents should report anything suspicious arising in this area by ringing 101. Automatic bird scarers are often mistaken for shooting. The grant application will be processed by Two Ridings.

6.2 Traffic plans from ERYC. Update from ERYC has been received re the speed reduction near the recycling centre. Work has commenced on this and further reports will be forthcoming but it is feared that the cost to the village may be too high.

6.3 Updates Environment Agency work on the riverbank. Email from resident, with photographs of the work carried out in the riverbed. Road design details required from ERYC to forward to the environment agency.

6.4 Speed stickers ERYC permission. ERYC will not allow speed stickers fearing they are a distraction to motorists. No purchase can be made.

6.5 Trees adjacent the dog walk. See 11 above.

6.6 Litter at motorway roundabout. ERYC are dealing with this and the roundabouts should be cleared.

7/1718 Planning Granted 17/00211/PAD Display of 4 non-illuminated, pole mounted signs. Rawcliffe Road West Roundabout Airmyn.

17/00212. Display of 3 non-illuminated, pole mounted signs. Rawcliffe Road East Roundabout Goole.

17/00791. McDonalds Rawcliffe Road, Airmyn. Erection of single storey extensions and associated alterations to existing McDonald's, installation of replacement drive thru booths, a Goal Post height restrictor and a wall mounted sign. No objections or comments to these plans.

17/00792. McDonalds Restaurants Ltd. Consent to display an advertisement. Display of 1 externally illuminated fascia sign. McDonalds Rawcliffe Road, Airmyn Goole. No objections or comments.

8/1718 Issues raised by councillors. Adoption of two pieces of land. Land Registry adoption. Appointment of solicitors. The Clerk will ascertain relevant facts and bring back to the council. It is thought that the two pieces of land were offered to the people in 1953 by a builder.

9/1718 Issues arising from new correspondence 9.1 Increase for clerk's home working £18 per month. Resolved to accept this amount.

9.2 Goole Fields Windfarm Tree Planting fund. Noted and details to be retained.

A letter has been received from the bowls club Secretary requesting permission to trim the conifer hedges as these are shielding the green from sunlight. Resolved to grant permission. A further letter may be sent to the parish council re a possible grant Application to fund proposed changes to the area.

10/1718 Upcoming meetings. None

11/1718 Ward Councillor's Reports. Taken above.

12/1718 Safety Concerns. None.

16/1718 To confirm the date of the next meeting 3 May 2017. PCSO gave her apologies.

### St David's Church Annual Strawberry Tea:

This is one of our church's main fund-raising events of the year and it has been taking place every June for longer than anyone can remember. Normally, it is held in the garden of Roger and Veilia Thomas but this year Roger and Veilia and their family members are taking a very well-earned break from the responsibility. Angela and Frank Meneight have volunteered instead to play host to the Strawberry Tea this year in the garden of their home in Ferry Lane (Boothferry). We are very grateful to them for this kind and generous gesture and we are sure that all those who patronise the event will discover that Angela and Frank have a garden to admire. A near neighbour, Samantha Stevens,

will be helping them out on the day. The chosen date is **Sunday, the 25<sup>th</sup> June** and the garden will be open from **2-00 pm** onwards. Don't be put off by its distance from the centre of the main village! You can either take the very pleasant walk around by the river bank from the Clock Tower to Ferry Lane or, if you would rather go by car, arrangements are being made for ample parking space to be provided on the day and its whereabouts will be indicated by signs as you enter Ferry Lane from Bridge Road.

A **Songs of Praise** service will be held in the same garden starting at **4-00 pm** and anyone wishing to have their favourite hymn included in the programme should contact Sue Hayward or one of the churchwardens with the details. All visitors to the Tea are advised that they would be most welcome to stay on for this service, even if they are not regular churchgoers. We believe that they would really enjoy it. This service will replace the 'All-Age' one that would normally have taken place in church at 10-00 am on that day.

## Coach-House Committee's Open Day:

There is to be another Coach-House Open Day on Saturday, the 17<sup>th</sup> June, on the grass areas in front of the lych-gate entrance to the churchyard, commencing at 10-00 am and ending at 2-30 pm. The usual stalls will be there selling cakes, sandwiches, soup and hot and cold drinks, as well as plants and books. There will be a good raffle and also the start of another National Lottery Bonus Ball competition. Above all, there will be the chance to sit down with your refreshments and to enjoy a good chat with many of your friends and neighbours, hopefully on a fine and sunny day. Gazebos will be available as well.

The fact that we have had no news of any progress to report for almost a year concerning the Committee's project to renovate the church coach-house and to use it as a café for the Airmyn community for two or three hours on a couple of days each week may have led many of you to believe that the project had been abandoned. That is emphatically not the case! The delay has been caused by the astonishing length of time it takes a solicitor to compile a lease document which almost anybody from the rest of us could put together and agree upon in just a couple of days. We do now, however, seem to be nearing the point where the terms of the lease will be finalised and we will be in possession of it, so please turn out for this Open Day and bring yourselves up-to-date with what is going on.
