Bracken Hill - let's make it a success!

Bracken Hill, the woodland next to the Amenity Site, was the venue for a series of very successful and enjoyable events, including Hallowe'en in 2016.

Numerous children and parents from in and around the Parish of Airmyn had a great time participating in the varied activities on offer.

We now have the opportunity to work together to enhance and enrich this patch of woodland for both people and, more importantly, for wildlife. This will be a long-term project, and year upon year you will see the improvements made by your efforts.

If you want to ensure your children, their children and subsequent generations can enjoy living on a planet that's clean and healthy, come and help us to help the environment!

Join the Bracken Hill Group.

The Tour de Yorkshire is coming to Airmyn...

The Parish Council held a public meeting on Tuesday 16 January to discuss our involvement in the Tour de Yorkshire when it comes from Beverley, through Airmyn, past White City and on to Rawcliffe on its way to Doncaster on the first day, Thursday 3 May 2018. The meeting was very well attended by more than 20 residents on what was a very cold evening.

Some residents had already been in contact offering help to prepare for the event by making bunting, the recycling centre in the village had agreed to provide any cycles or wheels that were brought in so that they could be painted for decoration around the village, the church had agreed to run a refreshment stall at the lychgate and the school had expressed an interest in being involved too.

Discussion took place about car parking and some businesses were to be approached to see if they would help provide parking on the day. Cars normally parked on the roadside along High Street will be asked to park elsewhere on the day, as the road must be clear and will be closed for some of the time. More details will become clear as information comes through from ERYC and the race organisers.

We discussed bunting, balloons and ribbons in blue and yellow to decorate houses along the route from Boothferry Bridge to the roundabout and out to White City. It was suggested that those with hanging baskets or with space to put pots out could plant them in a blue and yellow colour scheme. Residents present offered help to paint the cycles or wheels given by the recycling centre. Sam Stevens offered to make ribbon decorations for the Airmyn village signs and the school was keen to be involved in making decorations of some sort. Land Art was also mentioned, an interesting idea where a picture is constructed on an open area of land so that it can be viewed from above by the TV helicopter. If anyone would like to take this idea further then do please come forward.

We then discussed the safest places for the school children to be sited so that they get a good view but are kept safe. Several locations were mentioned and this needs to be investigated further. It was pointed out by a resident that there will not be any barriers to keep by-standers out of the road and so safety would be paramount.

We have already had contact regarding the information booklet which is passed to the TV Commentators. David Galloway, our village historian, has put together some interesting facts about the village and these have been forwarded to ERYC. More information will be sent to us by the organisers as the weeks go on, and this will be communicated to residents via websites and The Airmyn News.

Names, contact details and offers of help were taken down at the meeting, but if you would like to offer your services or have a particular skill that would be useful then do please come forward and help to make the day memorable for our Parish. You can contact Sue Hayward on haywardds3@gmail.com or any member of the Parish Council to express your interest.

Francis Sykes:

We wish to express our great sadness at the recent death of Francis Sykes of Rawcliffe.

Francis was a sincere friend to many of us in this village. He had been taking one of our evening church services regularly for the past few years and had also conducted a number of funeral services for Airmyn people both here in our church and at the local crematoria.
